MEMORANDUM FOR: LIMS Project Leader
ACIS Project Leader

FROM:

Planning Officer, Management Staff, ODP

STAT

SUBJECT: Scheduled MBO Session with the DDA

1. The first quarterly Joint MBO session for ACIS and LIMS is scheduled for 22 November 1982 from 1000 -1130 in Room 7D32. A preliminary agenda is attached.

2. No preliminary paperwork is required, but it is expected that the general format and content of the office MBO sessions will be followed. Please have copies of viewgraphs or other materials used for distribution.

3. You should coordinate your presentation with the office concerned so that they will be aware of the general nature of the presentation and so that issues which may arise will not be a surprise.

4. If you deem it appropriate you could share the presentation with your counterpart in OL or OF or alternate sessions to present a truly "joint" MBO atmosphere. I will leave this to your judgment.
